### Kill Your Idols

I can't believe all the things I hear, words of bullshit fallin  
g on deaf ears. Why don't you practice all the things you preac  
h? Your own ideals seem so out of reach. Your words mean nothin  
g if there is something to gain. Your insincerity is driving me  
insane. Forgetting all the reasons that brought you here, whil  
e claiming all the while that your mind is clear. Chorus Think  
about the kids who sing along. Screaming all the words that hel  
p to make them strong. There's so much strength in a positive s  
cene. It's a shame that all you care about is making the green.

Verse 2 Look in the mirror, do you like what you see? A f\*\*kin  
g hypocrite if you ask me. You can't fool me with your disguise  
, cause I can see the lies in your eyes. repeat Chorus
