

Send In The Clowns

Kill Your Idols

A badge glimmering in the night. A fascist strips you of your rights what gives Them the right to treat us this way when tables turn the pigs will pay Chorus: Redneck mentality with a gun they're out to wreck what we call fun sometimes the cops can really bring you down he's not a cop he's a f**king clown Reprehensible acts in the name of the state they're the system its us they hate stand up to them we've got your rights we outnumber them if your ready to fight behind a badge lies their insecurities taken out on the poor, different and minorities unelected officials are the ones who decide if your going to live or die
