

Love of my life  
You are the love of my life  
You are the love in my life my life  
You are the love in my life in my life  
You are the love in my life my life  
With God control I take a photo of the globe  
Like a space probe let your tape roll to roll  
My ways of life shine purple rays of light

Ways that are right take long days and night  
Then I enter wind there's no interfere  
No sense of care tense at the prayer  
Then we exalt like ci-ties of Leba-nese  
Drop with heaven-ness, must be heaven sent  
Left with evidence, ever since you left  
Seventh prince, and the pleasant scent of sweet smells  
Exhale, I'm as deep as a well  
Watch Priest prevail by fear and love  
Lifts off through the air like a dove above  
The star circuits, where Allah is perfect  
It lies like an olive tree, woman follow me

Through the galazies, just acknowledge me  
We'll walk the calorie across the Sea of Galilee  
I give you rubies, for your beauty, you look  
As fine as jewelry, I chose the finest your highness  
I chose the finest your highness  
You see my instructions, are not silver  
In knowledge forever then choice gold  
For wisdom is better than rubies  
And all the things that may be desired  
Are not to be compared to it  
Our wisdom, will dwell with punics  
You're my one and only, during our holy matrimony

Attract my homies, subtract the phonies  
What it manifold, make a man explode  
Love episode, give me rest when I'm old  
So clear and unbefouled, plus runnin wild  
Caught you as a child, brought you under clouds  
Never earthquakes when I'm home from work late  
Never forget your birthdate, I love you  
Damn your understandin have me hunger like a famine  
Prepare for landin.. for landin.. for landin..  
Abortin the River Jordan like a RZA recordin  
4th Disciple, bring forth the cycle  
Or a tidal wave, it's like a B.I.B.L.E. page
