

## Twelve labors

### Killer Be Killed

Slay the nemean lion  
Slay the hydra  
Capture the golden of artemis  
Fight the erymanthian boar  
Clean the augean  
Kill the stymphalian birds

Constellation strength to enter heaven  
Killing a fire breathing titan  
Constellation strength to enter heaven  
Killing a fire breathing titan

Enslave the cretan bull  
Steal the mares of diomedes  
Murder the amazons  
Defeat geryon  
Steal the poison apples  
Capture and bring back cerberus

Constellation strength to enter heaven  
Killing a fire breathing titan  
Constellation strength to enter heaven  
Killing a fire breathing titan

Crawl down the path I reach the sacred sea  
The lion's mouth hangs loose in front of me  
Fighting a giant antaeus, retrieving alcestis underworld

Boil my own skin, I hate the way it tastes  
I wake from sleep and start to walk again  
The road is long and grueling  
The stone rolls back but there's no shame

Divine mystic mythology  
Hero in a lion's skin

Prometheus  
Prometheus

Constellation strength to enter heaven  
Killing a fire breathing titan  
Constellation strength to enter heaven  
Killing a fire breathing titan
