

## The Juggernaut

Killer Mike

I don't care how many fucking records you sell nigga, you know I'm better than you

"Don't you know who I am? I the Juggernaut bitch!"

Big ass rims  
Fresh ass Timbs  
Came back on your monkey ass like biiim  
Hit 'em like biiim, biiim, biiim  
Lookin' for a sucker, fucker, I am not him  
Lookin' for a sucker squad we are not them  
Grind Time Rap Game, bang bang bang  
Leader of the gang, grip grain, switch lanes  
Blow chains out the top of the blow out brain  
Tampa Bay orange Tropicana with some phantom flames  
Blowin' purple stank, my Cadillac is so loud it bangs  
Hell yeah I know you heard when you standin' on the curb  
King Kong beatin' monkey's like wadda dadda dang

Killer got the hood on smash  
Schools on smash  
No matter how you hate you can't whoop my ass  
The cars will go fast  
Vroom Vroom mash  
Big 24's runnin' over your ass  
"I'm the Juggernaut bitch!"  
Any motherfucker that really want it can get it  
I'm the nigga not to be fucked with, fucked with  
I'm a motherfuckin' menace  
I'm a villain with a mission  
I'm the piece of shit you're stuck with  
"I'm the Juggernaut bitch!"

The era of the bullshit is over  
Lyrically, I will dismember and disfigure he  
Who figure he ever near to me or even dear to me  
Lyrically, I will abolish he  
Stunningly, similar to crucifixion, what I do to suckers on the daily  
With the deaf, dumb I kick shit  
Even drop science in my fiction  
Just in case Agent Smith listenin'  
Who say the south ain't rappin', sucka nigga is you listenin'?  
I am out of patience anyway  
I am Doc Holliday  
I'm your Huckleberry, fuckin' fairy, you can die today  
Show up at the O.K. with an AK like okay  
Kill your ass and beat the case like Snoop Dogg and OJ

Killer got the hood on smash  
Schools on smash  
No matter how you hate you can't whoop my ass  
The cars will go fast  
Vroom Vroom mash  
Big 24's runnin' over your ass  
"I'm the Juggernaut bitch!"  
Any motherfucker that really want it can get it  
I'm the nigga not to be fucked with, fucked with

I'm a motherfuckin' menace  
I'm a villain with a mission  
I'm the piece of shit you're stuck with  
"I'm the Juggernaut bitch!"

Every line of every rhyme is a symbol to the struggle  
Express through the grind  
That we testify to by buying outlandish shine  
Reason being that my wrist akin to a pamper full of piss  
Diaper off and I'm shittin' on tracks like this  
Sucka nigga play Ray you can't see Mike bitch  
Any rapper get's spazzed on like I'm a kid with Tourettes  
Syndrome from a bad home  
My lyrics mean like a girl from the hood, PMSing with a pad on  
Hell yeah I'm that bad holmes  
You disagree? Even humbly, promise you get mashed on  
Pummeled and beat to snot, compliments of the Juggernaut

Killer got the hood on smash  
Schools on smash  
No matter how you hate you can't whoop my ass  
The cars will go fast  
Vroom Vroom mash  
Big 24's runnin' over your ass  
"I'm the Juggernaut bitch!"  
Any motherfucker that really want it can get it  
I'm the nigga not to be fucked with, fucked with  
I'm a motherfuckin' menace  
I'm a villain with a mission  
I'm the piece of shit you're stuck with  
"I'm the Juggernaut bitch!"
