

## Panopticon

## Killing Joke

Self censorship, self policing  
Shaping human behaviour  
Computer games, low attention span  
Distractions for the servile brain  
Inside the, Panopticon  
You don't have to have your phone on  
All behaviour calibrated  
From bulk metadata

Weishaupt comes alive  
The all seeing eye

All your habits, all your movements  
All your sexual preferences  
All your colleagues, all your friendships  
How often you take a shit  
All your debts, all your bets  
All your hopes and fears are known  
Consolidation in every nation  
The great work is nearly done

Weishaupt comes alive  
The all seeing eye

Everything is known, health and your loans  
All privacy gone, in the Panopticon

Everything is known, health and your loans  
All privacy gone, in the Panopticon

Retaining bulk metadata  
To be held against you  
The elitist leanings of man  
Appealed to by corporations  
Diminishing expectations  
Can be seen in every nation  
Many tongues, one voice  
The great work of age has come

Weishaupt comes alive  
The all seeing eye

Everything is known, health and your loans  
All privacy gone, in the Panopticon
