

Just Let Go

Killswitch Engage

Holding on to something that I know I can't control
And I could not have it any other way.
Restless anxious is all I've known
Defenseless against this.
This change in my soul
What was once reluctance soon becomes the will to grow.
And I would not have it any other way
So I let go. Lose control.
Let go to the unknown
Nothing changes in refusing to grow.
Wisdom engages those who will grasp
for something more
Take this leap of faith.
There's no time to waste
and I cannot have it any other way
So I let go. Lose control.
Just let go.
Let go
See behind the hue.
Reject what I once knew.
I'll let go.
Surrender
