

# My Last Serenade

Killswitch Engage

This is my last serenade  
This is my last serenade

This revelation is the death of ignorance  
Tangled in a state of suffocation  
Slave to self righteousness  
Damnation is on your lips

From sorrow to serenity  
The truth is absolution  
From sorrow to serenity  
It's on your head

This is my last serenade  
I feel you as you fall away  
This is my last serenade  
From yourself, you cannot run away

It's your choice, point the finger  
But it's on your head  
Your destination is a choice  
Within yourself

Will you rise or become a slave  
To self righteousness  
Open up your heart  
And gaze within

From sorrow to serenity  
The truth is absolution  
From sorrow to serenity  
It's on your head

This is my last serenade  
I feel you as you fall away  
This is my last serenade  
From yourself, you cannot run away
