

## Numb Sickened Eyes

Killswitch Engage

Enter into a circle of light  
Engraved, engraved in flesh

Stare in my eyes, suffer  
I will not bow down, suffer  
The only truth, suffer  
I will not bow down, suffer  
Pulling words from my lips  
And tearing me within

This life will remain a mystery  
To you until the day you pass away  
Speak lies, spilling from your lips  
As clear as crimson

Stare in my eyes, suffer  
I will not bow down, suffer  
The only truth, suffer  
I will not bow down, suffer  
Pulling words from my lips  
And tearing me within

This life will remain a mystery  
To you until the day you pass away  
Speak lies, spilling from your lips  
As clear as crimson

Enter into a circle of light

Enter into a circle of light  
Engraved, engraved in flesh

I spoke my vengeance with a smile to you  
to you  
I spoke my vengeance with a smile to you
