Numb Sickened Eyes

Killswitch Engage

Enter into a circle of light Engraved, engraved in flesh

Stare in my eyes, suffer
I will not bow down, suffer
The only truth, suffer
I will not bow down, suffer
Pulling words form my lips
And tearing me within

This life will remain a mystery To you until the day you pass away Speak lies, spilling from your lips As clear as crimson

Stare in my eyes, suffer
I will not bow down, suffer
The only truth, suffer
I will not bow down, suffer
Pulling words form my lips
And tearing me within

This life will remain a mystery To you until the day you pass away Speak lies, spilling from your lips As clear as crimson
