

The Turning Point

Killswitch Engage

(Verse)

In these days that pass before me
There was an anxious feeling that would hold me down
Tearing me inside
Bleeding my spirits

(Chorus)

This, this is the turning point
The rising of the day
No fear inside
This, this is the day that takes the suffering away
No more wasting time

(Verse)

Fix the pain that suffocates
As the best returns to turn in me
Wallowing my scars, save me
Before I break

(Chorus)

This, this is the turning point
The rising of the day
No fear inside
This, this is the day that takes the suffering away
No more wasting time

(Bridge)

Find the strength to maintain
Give me, give me a reason to believe
Search for truth, that will not change
Give me, give me a reason to believe

(Bridge)

Find the strength to maintain
Give me, give me a reason to believe
Search for truth, that will not change
Give me, give me a reason to believe

(Bridge)

Find the strength to maintain
Give me, give me a reason to believe
Search for truth, that will not change
Give me, give me a reason to believe

Find the strength to maintain
Search for truth, that will not change
