

Only Two Things Wrong with That Plan: A) No Smokey B) No Bandit

Killwhitneydead

A) No Smokey B) No Bandit

Through the violence and bloodshed we are becoming one
Through all this madness
Through the insanity
We are becoming one
You and I
Eye to eye
Give me blood
Show me faith
Sacrificed
Now reborn
What you see is what you get
This is a night you will never forget
Through all this sickness
Through the retributions
We are becoming one
Through the violence and bloodshed
We are becoming one
You and I
Eye to eye
