

Tip of My Tongue

Killwhitneydead

Give it to me

Here we are
Me and you
Another midnight rendezvous

Your eyes beg
Scream at me
Tightening grip on ecstasy

I want it
You've got it
Give it to me...now!

Give it to me all night long
Our bodies melting into one
My pleasure and your pain
It's all one in the same

Pleasure - pain
It's all one in the same

Pull your hair
Smack that ass
No bottom to my glass

Tip of the fingers
Tip of my tongue
Catch your sweat as it runs

I want it
You've got it
Give it to me...now!
