

Stars on the roof ain't nothin'  
Don't fly to close to the sun  
Diamonds aren't fake, it's crushed up  
But water ain't thicker than blood  
But water ain't thicker than blood  
On top of the world ain't enough  
I'm not from here, I'm from above  
Was down by a house in the rut  
Now I'm up in a rush  
I'm in love with the rush

I'm not from here, I'm from above  
Got the world in my hand ain't enough  
Need a loaf, leave the crumbs and crust  
Glowed up now they hate my guts  
I can't finesse with the scrubs  
That's a little thot I can't love  
Fell in love with the guap  
If you want a bird, I've got a flock  
We can take our time there is now hurry  
Come around here we livin' with no worries  
Went down road that hurt  
They want to gurt me  
So speed and 407 got no worries  
I just make the work, they wanna surf me  
I just turned that cut into a Kirby  
She a fake, lost seconds inside the curtains  
I'm a thief in the night, I see lurkin'

Stars on the roof ain't nothin'  
Don't fly to close to the sun  
Diamonds aren't fake, it's crushed up  
But water ain't thicker than blood  
But water ain't thicker than blood  
On top of the world ain't enough  
I'm not from here, I'm from above  
Was down by a house in the rut  
Now I'm up in a rush  
I'm in love with the rush
