

Allegiance

KILLY

Golden brown, texture like sun
Lays me down, with my mind she runs
Throughout the night, no need to fight
Never a frown with golden brown

Red light district, phone call, missed it
Fast car, whippin', said it and I did it
In the deep end, water got me seasick
You believe it, pledge your allegiance
Blue pills, blue bills, got 'em all
Hit me, who this? I don't want your love
In the deep end, water got me seasick
You believe it, pledge your allegiance

First tat, hand tat, I cannot regret that
Diss me, come back, won't forgive, forget that
Cash fill up my back, "what's that?" A jetpack
Days they pass so fast, yeah, left my past in last year
Don't forgive, forget, standin' on the edge
Goin' down for debt, that's a Downey, Depp
[?] bitch, got me on the web
Want to live the life, she can't handle that

Golden brown, texture like sun
Lays me down, with my mind she runs
Throughout the night, no need to fight
Never a frown with golden brown

Red light district, phone call, missed it
Fast car, whippin', said it and I did it
In the deep end, water got me seasick
You believe it, pledge your allegiance
Blue pills, blue bills, got 'em all
Hit me, who this? I don't want your love
In the deep end, water got me seasick
You believe it, pledge your allegiance

Out the city, making' plays
In the Vette, I'm in the Wraith
First one in the race
Fast life, might date you

Golden brown, texture like sun
Lays me down, with my mind she runs
Throughout the night, no need to fight
Never a frown with golden brown
