BEAUTIFUL PT. 2

KILLY

Yeah, yeah, yeah, yeah

I can't feel a type of way no more
I can't feel my face on pill no more (what)
Nothing can bring change no more (what)
I can't wait the delays no more
So beautiful (oh my god, we are so beautiful, hey)
So beautiful (oh my god, we are so beautiful)
Nothing can bring change no more (no more)
I can't wait the delays no more

This type of feeling not usual (yee, yee), we are so beautiful (what)
You can't escape all the rituals (you), I'm the original
My life so crazy, delusional (yee, what), feel like a movie rol e
This movie come in my usual, tell me it's mutual
Love sick (hey), love sick, love sick
I'm so love sick (woah), love sick, love sick
Can't feel nothing, nothing, nothing
I need something, something, something
All the heavens (hey), angels over you (brr)
And the hatred (what), don't let it consume
In the tropics, love sick without you (you)
If I left you, how could I love you? (Love you)

I can't feel a type of way no more
I can't feel my face on pill no more (what)
Nothing can bring change no more (what)
I can't wait the delays no more
So beautiful (oh my god, we are so beautiful, hey)
So beautiful (oh my god, we are so beautiful)
Nothing can bring change no more (no more)
I can't wait the delays no more (hey)
Beautiful (oh my god, we are so beautiful)
So beautiful (oh my god, we are so beautiful)
Nothing can bring change no more (yee)
I can't wait the delays no more
