KILLY

I can introduce you to this life we live forever, yah
Live forever, yah
Live forever, yah
I can introduce you to this life we live forever, yah
Live forever, yah
Live forever, yah
I can introduce you to this life we live forever, yah
Live forever, yah
Live forever, yah
Fallin' in love, three yah
Wit' three yaah (wit' meeee)
Fallin in love, all three yah
That lean yaah
The molly, the xanny, the lean yah!

I cannot stand all the drama, the gaza, they talking they movin' like zombie
s
Trustin nobody
I cannot love her but I said I love her 'cause I was so gone off the molly
Sorry not sorry
Roll up deep to tha party
Only uber big body
Till I cop dat rari
Push to start no car key
I am so sick of these bitches they trippin' I swear that they learn from keh
lani
(Run this shit no sweat
See me don't see stress)
Too many phonies around me they keeping me cautious I'm keeping them parrow

Killamanjaro
Purp drink no taro
Sip with a model
Fuckin' on models
Just hit the lotto'
Gucci my goggles

I turn my head when they talking, they talking that nonsense and fake conver
sations on me
Preein' and plotting they hating on me
Couple would send a location on me
I got a lot on my conscience, these demons they calling they teasing they we
ighing on me
(Weighing, weighing on me)
What do I see through these cartier frames?
(Yuh)
Big bands in my vault
I said watch me flaunt
I said watch me bop
Killy be hogging tha' ball
(Ya!)
Skrt off in foreign I'm gone
I see you see me from far
Keep tryna' be me its hard
Flex on you I hurt ya heart

Commas they coming in proper

Smellin' like dolce gabanna
My Gang I'll never dishonour
Money it made me piranha
Money it gave me nirvana
My Gang I'll never dishonour
I want the m like McDonald's
I want the m like McDonald's
I book a flight from out west and the next day I woke up out west of Toronto

(Hey, hey!)

Big bands in my vault
(Hey!)

Big bands in my vault
(Hey!)

Big bands in my vault
Big bands in my vault
Big bands in my vault
