

Need Your Love

KILLY

Let me beat it up like Jaegen

I need your love, your love, your love, right now
Ooh, ooh, ooh, ooh, ooh, ooh, ooh (Yeah)
I need your love, your love, your love, right now
Ooh, ooh, ooh, ooh, (Hey), ooh, ooh, ooh

Done some things, I really don't wanna talk about it (Yeah)
I got trouble wrapping up my heart around it (Yeah, what?)
I can't let them in but mighta thought about it (Ooh)
Burn that bridge, now you gotta walk around it haunted by it
Load up that lil' choppa, I'm a fully automatic addict
Hold up there lil' mama, I don't wanna come off problematic
I've had some nirvana when I take a stack and acrobat it (Ahh)
I got what you need
If I ever you can count on me (Hey)
I got what you need
If I ever you can count on me (Hey)

What you need
What you need (You)
What you need (You)
What you need (You)

I need your love, your love, your love, right now
Ooh, ooh, ooh, ooh, ooh, ooh, ooh (Yeah)
I need your love, your love, your love, right now
Ooh, ooh, ooh, ooh, (Hey), ooh, ooh, ooh (Yeah)

Whatever's in my system keep my head from spinning right round
Show me what I'm missing like right now
Show me that you're different right now
No time for intermission, let's skip to the ending right now
We was young, so dumb, only see what we wanted to see (Ooh, ooh
, what, what, yeah, yeah)
Don't show love too much but you showed me your side I never se
