

No Sad Days In LA

KILLY

No Sad No Bad Days In LA (In La)
Imma Sail The Seven Seas
Just To Separate Myself From The Fakes
No Sad No Bad Days In LA (In La)

No Sad No Bad Days In LA

You Was Waiting
I Was Chasing
Stomping At The Door Gucci Bracelet
No Hesitation, What's The Hold Up
Ride In A Foreign Doing Donuts
Watched My Whole Life Change Like A Movie
First Day in LA, A Hunnit Groupies
My Shorty In The Ends Afraid To Lose Me
They All Say I Changed, But I Never Changed
I Just Bought A Chain, Fuck A Wedding Ring
Big Body Range, Pull Up In A Tank
Talking Down My Name, We Gon Let It Bang
They Gon Say They Gang, But They Ain't Really Gang

No Sad No Bad
No Sad No Bad Days In LA (In La)
Imma Sail The Seven Seas
Just To Separate Myself From The Fakes
No Sad No Bad Days In LA (In La)

No Sad No Bad Days In LA
(In LA) (In LA)
