

## PICTURE PERFECT

KILLY

(FREAKEY!)

Did some shit that I regret with a picture perfect bitch  
I'm a one of one left her in the past tense  
Once I light this blunt like it's none, I'll forget  
Once I light this blunt like it's none, I'll forget

Watch my back, heart is chrome  
Hit you back when I'm home  
My bad that's a lie  
You ain't even on my phone  
Plus I'm smoking on some strong  
Put a whole OZ in my lungs (gone gone gone)

Cause I can't tell what you want from me  
(Tell me what you want tell me what you want)  
I can't tell what you want from me  
(Tell me what you want tell me what you want)

Swear I need to disappear  
All this fake love shit is fucked  
Shorty want it from the rear I'm only here for the suck  
Shift the gear into reverse  
This ain't regular for her  
Better check your temperature  
Don't you get up on my nerves  
(Don't you don't you don't you)  
Don't you get kicked to the curb  
That ain't this and this ain't that  
We ain't going tit for tat  
Nothing like your other mans  
Your way not the only way  
Don't know who you think I am  
Left your ass in yesterday

Did some shit that I regret with a picture perfect bitch  
I'm a one of one left her in the past tense  
Once I light this blunt like it's none, I'll forget  
Once I light this blunt like it's none, I'll forget
