

POISON

KILLY

With the wolves I'm smoking white ash everytime I walk my strip
When the beat drop it don't talk back I'ma pop and talk my shit
When the beat drop it don't talk back I'ma pop and talk my shit
Not a Bentley this a Rolls Royce and the doors open like fridge
Hope my brudda shine like I'ma shine kill la kill he just the b
ridge
Got amethyst color stones all on my body and my bitch
These GIA certified gon turn you blind gon make squint
Got Moltres on my waist cuz I put raichu on my wrist

Some got left cut off hurt my heart it make me sick
Don't sip red cut off I taste poison when I sip
If the beat drop it don't talk back I'ma pop and talk my shit
When the waves stop I'ma sit back on a beach and reminisce
I take 100 thousand off my neck everytime I lean my head to res
t
I know way more than I show I mind my own I'm saying less
I'm not saving none of these hoes that's not my glo that's not
my flex
No weapon formed against KILLY will prevail I'm staying blessed

When we pull up we change weather
We doing better pockets fatter
Her pussy wetter I need umbrella
Tried to tell em bout this vendetta
I was fed up keep my head up
I keep my bread up I cannot settle
Trendsetter, jet Setter check getter
North rep'er, Foreign stepper, best seller
Talk deader, shot sender, molly seller
Five letters here whenever here forever

I am the one that is pushing the limit the big body swerving li
ke
I am the one that's gonna pull up and finish nobody is telling
me
Don't take shit from like nobody
Trust nobody, I'm road running
Got old money, got rap money
Was down bad, got fast money
They told me couldn't be shit, look back now that's so funny
I'm so fly like a g6, I peeped it won't
Speak it
No he say, no she say, see these days rock issey from 02 spent
3k can't keep me from geekin'
