

PYRO

KILLY

(FREAKEY, FREAKEY)

Yeah

I done seen so many switch like a slideshow (What?)
So I stay around the fire like a pyro (Yeah, yeah)
If you wanna cross that line, cut your tightrope (Cut it)
Look my chain up in his eyes, that's a light show (Woo, yeah, w
oo)
And there's no turnin' back (Back)
Perc' 10, Perc' 10, fuck a heart attack (Percy, what?)
Pray my brothers reach the promised land (Woo)
For them, we do the fire dance (Hey, hey, hey, hey)

This shit crazy, man, right wrist, I'm revengeful
Count through a hundred bands, dead men got a handful (Yeah)
Heard he a skeleton, just countin' down the time though
So Helen Keller, yeah, I can't tell no info (No, no, no, no)
Tell you once (Hold up), won't say it again (What?)
Hop out the Rolls Royce and the doors open like fridge (Hello)
Two Rollies on my wrist, yeah, I call 'em twins (Two, two, two)
Got way too used to givin' more than I get
Hundred problems, I can't solve 'em
But if they switch sides (Switch sides), then we on 'em (Yuh, h
ey)
Then we solve 'em (Yeah)
One phone call 'em (Yeah), just to taunt 'em (Yeah)
I done crushed so many roads, just my shadow (What?)
Don't you think you won the war from a battle (What?)
Coulda bought another chain, bought a castle (Yeah)
And if they want to let it rain, we got ammo (Yeah, yeah, yeah)

I done seen so many switch like a slideshow (What?)
So I stay around the fire like a pyro (Yeah, yeah)
If you wanna cross that line, cut your tightrope (Cut it)
