

Same Energy

KILLY

Facts

Facts

I turned my misery into a million
Kept the same energy from the beginning
Taking what's mine while I'm goin the distance
Kept my distance before social distance
Back in the city we do it belligerent
I heard these days they be hitting civilians
Healing my pain, I got different ingredients
Water my neck and my wrist like amphibian (Yeah)
Yeah, came out a gentlemen from a degenerate
I love all of my bitches, I'm really a feminist (What?)
My bitches love bitches like Ellen DeGeneres (Ooh, yeah)
Yeah, all of a sudden they loving on me
Probably 'cause I got these hundreds on me
Skeleton wrists, I got tricks up my sleeve (Ooh)

Christian Dior, Louis Vuitton, Yves Saint Laurent, I got it on
VVS stones, money too long, when it's like that you could never be wrong
Back in the days they used to play me
But I'm so happy them days is gone
Forty-five K for the rings and bracelet
Hundred ten K for the chains and charms
(Yeah, yeah)

All the pretty bitties in the city say they really wanna see what KILLY on
(What?)
Can't nobody say they put me on
I get my hundreds and fifties on (Yeah)
If they really wanna get it gritty, I can get it litty for the minimal
Ego bigger by the decimal (Yeah)
I'm a star in the sky, I'm celestial (Yeah, yeah)
Murakami, Harajuku Barbie
I brought grabba with me, trip to Tokyo
They telling tales like Pinocchio
She comparing me to my horoscope
I fell in love with the finer things
No, no regular designer things
Michelin chefs, just a minor thing (What?)
Bottega Veneta, bought everything (Yeah)

I turned my misery into a million
Kept the same energy from the beginning (Yeah)
Taking what's mine while I'm goin the distance (Yeah)
Kept my distance before social distance (What?)
