

WHATEVER WE DO

KILLY

(FREAKY!)

Whatever we do is between me and you
You as drug you a dream they be fiending for you
Shooting stars in the coupe shooting starts on my roof
Whatever we do is between me and you
Deep in the tombs with a trap nefertiti
Just stick and I move
No doubt not a witness
Whatever we do is between me and you
Whatever we do is between me and you

Put your heart in the bag and nobody getting hurt
This a stick up nothing sweet up
Senorita this a curse
They scared to open cause collections knocking on the door
I never knew that problem I'm the only one I owe
Hellcat in the ends I be spazzing overload
Burn a bag like third degree there's a fire all on bloor
VVS head to feet and baguettes set the teeth
Audi truck skrt like a steelix you can hear the fucking screech
And your hoe might reconsider on an island with a beach
And the show is gone continue there's no closed curtain this ev
e

(Yuh) Of course she blaming me when she's really on me
But there's no flipping the script in my pocket I got receipts
Might've lent a helping hand that was met with deceit
Try to leave it in the past but it still follow me
Fettuccine comes with capers I don't even know that mean
Can you really keep a secret you my favourite remedy

Whatever we do is between me and you
You as drug you a dream they be fiending for you
Shooting stars in the coupe shooting starts on my roof
Whatever we do is between me and you
Deep in the tombs with a trap nefertiti
Just stick and I move
No doubt not a witness
Whatever we do is between me and you
Whatever we do is between me and you
