

# BLOODY FUTURE

Kilo Kish

We were living  
In the eighties  
Everybody going crazy  
We were living  
In the nineties  
Dotcom do you  
Want to find me  
We were even  
In the o's  
Jet set international  
We were living  
In the future  
The bloody future

Na na na na na  
Na na na na na na  
Na na na na na  
Na na na na na na

We're blowing up  
I saw it deep in the screen  
Cruel world  
Mammal or machine  
Can't stop that fire burning  
I see haze going up  
Feel sweat rolling down  
Keep listening in  
And I know the sound

It gets  
Hot hot hot hot  
Bubbling up  
Come to the surface  
Hot hot hot hot  
Crumbling earth  
Under our purse strings

We were living  
In the eighties  
Everybody going crazy  
We were living  
In the nineties  
Dotcom do you  
Want to find me  
We were even  
In the o's  
Jet set international  
We were living  
In the future  
The bloody future

Na na na na na  
Na na na na na na  
Na na na na na  
Na na na na na na

Where did you go?

Still lost in a fever dream  
This blue marble  
Keeps turning  
Cell static in my ear  
Ring and ring  
I turned it up  
I drift from my sound  
Her tides rolling in  
And we can't hide  
On the internet

Forever, forever  
Daisies dancing  
In the breeze together  
Forever, forever  
Shells clinging  
To the shore together  
Forever, forever  
Make me wonder  
What we've done together  
Forever, forever  
Wonder what  
We'll all become together

We were living  
In the eighties  
Everybody going crazy  
We were living  
In the nineties  
Dotcom do you  
Want to find me  
We were even  
In the o's  
Jet set international  
We were living  
In the future  
The bloody future

Na na na na na  
Na na na na na na  
Na na na na na  
Na na na na na na
