Intro

Kilo Kish

(But uh-)

You got a deadline? When you gotta get it done?

(It has to be done by February 1st. Febru-well, the thing's on February 1st: the exhibit-I found the place today)

Where's it at?

(Look. You're gonna die! The best place!)

Tell me where it is

(It's at Forsythe!)

I think I know the place you're talking about. It's by [?]? Or it's deeper?

(Yeah)

It's by [?]?

(Yeah)

Let me see

(Wait. Tell me)

[?] is right-right on top of it

(Wait, the school?)

Is it a school?

(Uh-huh)

Yeah, let me see it

(Which room is it?)

I don't know what room it is, I've never been there

(This is the room I picked. [*pauses*] I can't see it, but it's like in the school, but it's in a small room. And it has... it's like this. And she has [?]. So this part is all shared and this part can all be decorated and all this stuff. Then [?] too. It's gonna be mad dark inside)
