

NICE OUT

Kilo Kish

I'm afraid to go outside
So many people rule my mind
I can't escape, where is the line?
Chained ourselves to overdrive

Sweating like a Margarita
Blistered skin, I love tequila
Pull at me a little deeper, oh
Staring at the desk
Got stuck sticking to the program
I'm pushing past the door and
It's nice out

Ooh-oh
Ooh-oh
Oh
Want to go out?
(Duh, it's on the club)
(Where you seek and where you find me)
Ooh-oh (Duh, it's on the club)
Oh (Where you seek and where you find me)
(Duh, it's on the club)
(Where you seek and where you find me)
Ooh-oh (Duh, it's on the club)
Oh (Where you seek and where you find me)
(Duh, it's on the club)
(Where you seek and where you find me)
Ooh-oh (Duh, it's on the club)
Oh (Where you seek and where you find me)

I've got no friends left in L.A.
Self obsessed, I can relate, hey
Winter's gone, the sunshine stayed
Look, I don't even know my name

Sweating like a Margarita
Blistered skin, I love tequila
Pull at me a little deeper, oh
Staring at the desk, got stuck sticking to the program
I'm pushing past the door and
It's nice out

Ooh-oh
Ooh-oh
Oh
Want to go out?
(Duh, it's on the club)
(Where you seek and where you find me)
Ooh-oh (Duh, it's on the club)
(Where you seek and...)

Maybe I've been making up, up
Making up, up, a story
There's no better love, love, no love
It just ain't for me
I know there's a wide world
There's a world that's waiting for me, I know it

Maybe I've been making up, up
Making up, up, a story
There's no bigger love, love, no love
It just ain't for me
I know there's a wide world
There's a world that's waiting for you
I'm down if you want to go out

Ooh-oh
Ooh-oh
Oh
Want to go out?
(Duh, it's on the club)
(Where you seek and where you find me)
Ooh-oh (Duh, it's on the club)
Oh (Where you seek and where you find me)
(Duh, it's on the club)
(Where you seek and where you find me)
Ooh-oh (Duh, it's on the club)
Oh (Where you seek and where you find me)
(Duh, it's on the club)
(Where you seek and where you find me)
Ooh-oh (Duh, it's on the club)
Oh (Where you seek and where you find me)
Ooh-oh
Oh-oh, oh
Ooh-oh
Oh-oh, oh
Ooh-oh
Oh-oh, oh
