

Back At One

Kim Bum-Soo

It's undeniable
That we should be together
It's unbelievable
How I used to say that I'd fall never
The basis is need to know
If you don't know just how I feel
Then let me show you now that I'm for real
If all things in time, time will reveal

One - you're like a dream come true
Two - just wanna be with you
Three - girl, it's plain to see
That you're the only one for me
And four - repeat steps one thru three
Five - make you fall in love with me
If ever I believe my work is done
Then I'll start back at one

It's so incredible
The way things work themselves out
And all emotional
Once you know what it's all about
And undesirable for us to be apart
I never would have made it very far
'Cause you know
You've got the keys to my heart

One - you're like a dream come true
Two - just wanna be with you
Three - girl, it's plain to see
That you're the only one for me
And four - repeat steps one thru three
Five - make you fall in love with me
If ever I believe my work is done
Then I'll start back at one

Say farewell to the dark of night
I see the coming of the sun
I feel like a little child
Whose life has just begun
You came and breathed new life
Into this lonely heart of mine
You threw out the lifeline
Just in the nick of time

One - you're like a dream come true
Two - just wanna be with you
Three - girl, it's plain to see
That you're the only one for me
And four - repeat steps one thru three
Five - make you fall in love with me
If ever I believe my work is done
Then I'll start back at one
