

Ooh, baby, baby, baby  
Oh, yeah

Lately I have felt the strangest feeling  
With nothing but reason, here to find  
Yet the thought of losing you's been hanging  
Around my mind

Far more frequently you're wearing perfume  
And we just say and a special place to go  
When I'm ask, will you become back soon?  
You don't know  
Never know

Well, I'm a man of many wishes  
All my premonition misses  
What I really feel, my eyes won't let me hide  
'Cause they always start to cry  
'Cause this time could mean goodbye

Lately I've been staring in the mirror  
Very slowly, picking me apart  
Try to tell myself I have no reason with your heart

Just the other night while you were sleeping  
I vaguely heard you whisper someone's name  
When I asked you what the thoughts you keeping  
You just say, nothing changed

Well, I'm a man of many wishes  
Hope my premonition misses  
What I really feel, my eyes won't let me hide  
'Cause they always start to cry  
'Cause this time could mean goodbye  
Goodbye

Oh, I'm a man of many wishes  
My hope, my premonition misses  
What I really feel, my eyes won't let me hide  
'Cause they always start to cry  
Ooh, yeah  
'Cause this time could mean goodbye  
Ooh, yeah  
Oh, yeah
