

# Happy

Kim Burrell

I'm so happy and I know it, Hallelu  
I'm so happy and I know it, Hallelu  
I knew I could do it  
God knows you can  
I'm so happy and I know it, Hallelu  
Hallelu

To be happy and to know it is to be free  
To be happy and to know it feels complete  
We can do it  
God knows we can  
To be happy and to know it is to be free  
Don't you feel free

Don't you know that it's a choice to hear the voice of the Lord  
Say you can have a good day  
So you oughta go your way and decide to say  
That life is fine, peace of mind

You'll see happy and you'll know it when you'll smile again  
You'll know happy when you show it in your praise again

We can do it  
God knows we can  
To be happy and to know it is to dance  
Everybody dance

Don't you know (He'll put a smile on your face)  
If you let Him, let Him do it, let Him put a smile where a frown was  
Let Him put a smile (Let Him put a smile on your face)  
Learn how to smile again  
Forget about that you've been through  
And think about where you're heading to

When you're feeling low (Use your happy)  
Even when you're feeling sad (Use your happy)  
Even when you're feeling down (Use your happy)  
You better use (Use your happy)  
Use your happy, happy, happy (Use your happy)  
Ooh... (Use your happy)  
You oughta let go  
Let everybody know  
When you lose your way don't forget to say (I'm so happy)  
When he tries to use your past tell him it won't last (I'm so happy)  
I know He'll put a smile where your frown was (I'm so happy)  
Since you're happy and you know it say, hey!  
Hey!

When you start your day don't forget to say (I'm so happy)
