

# I'll Keep Holding On

Kim Burrell

I keep holding on  
I'll keep holding on

Time is filled with swift transition  
Naught of earth unmoved can stand  
Build your hopes on things eternal  
Hold to God's unchanging hand

Just keep holding on  
Just keep holding on

Trust in Him who will not leave you  
Whatsoever years may bring  
If by earthly friends forsaken  
Still more closely to Him I cling

Hold to His hand  
God's unchanging hand  
Hold, hold, hold on

Hold to His hand  
God's unchanging hand  
Hold, hold, hold on

Hold to His hand  
God's unchanging hand  
Hold, hold, hold on

Hold to His hand  
God's unchanging hand  
Hold, hold, hold on

Hold, hold, hold, hold  
Get a real good grip  
Get a real good grip  
Get a real good grip  
Get a real good grip

No no no no, no no no no  
No no no no, no no no no  
Hold, get a real good grip  
No no no no

Hold to His hand  
God's unchanging hand  
Hold hold, hold on
