

## Love So Pure

Kim Burrell

For god so loved the world that he gave his only son  
I'm so glad he loved me that way  
I'll let nothing separate me from his love  
It's what keeps me from day to day

Love so pure, love so kind  
Your love is everlasting, divine  
Love so pure, love so kind  
Your love is everlasting, divine

It's what you are  
It's what you mean to me  
I don't know where I would be without you  
You're everything

Now that I have found you  
Oh, what peace of mind  
I found what I was looking to find  
It's so amazing, the love you give to me  
Now with you I'm so complete

Love so pure (oh your love)  
Love so kind (oh your love, your love)  
Your love is everlasting (hey)  
Divine (your love is so divine, your love)

Love so pure (ooh), love so kind (love so kind, your love is)  
Your love is everlasting  
(It's divine) divine

Your...  
Love so, so pure  
Love so divine  
(Your love is so divine)

Love so (oh), so pure (so pure)  
(Love so) love so divine  
(Your love, your love is so divine, ooh)  
...

I will always love you  
Because I know you love me too
