

# Over And Over, Again

Kim Burrell

Over and over again  
Over and over again  
You prove yourself to be  
The only friend I need  
I can never thank you enough  
For all the things you've done for me  
I don't know how much time I have  
That's why I want to take the time to say  
Thank you for choosing me  
To be in your favor  
Thank you for blessing me

Over and over again  
When I was deep in sin  
You forgave me and took me in  
You gave me peace within  
Since that day my life has changed  
And forever I'll remain  
Indebted to you for shedding your blood on Calvary  
Just for me-oh  
(Thank you for saving me)  
You didn't have to do it but you did  
(I can't repay you) for all you've done for me  
(When I'm not worthy) you continue  
(You continue to bless me over and over)

Even when I don't deserve your love  
You wrap your arms around (me)  
Reminded me I'm your child  
And that you'll always be there (for me)  
Thank you for giving me another chance  
To tell you how much I love and adore you  
I praise your name

(Bless your name Jesus)  
(You're worthy to be praised)  
Every time I call your name  
You're there to deliver me  
There's power in your name  
(Your name is glorious)  
(How excellent is thy name)  
I'll forever praise your name

If I had ten thousand tongues  
I would use every one of them to  
(Praise your name) Hallelujah  
Thank you Jesus Lord I love you  
I adore you, I worship you  
I praise your name (King of Kings)  
(Lord of Lords) (Wonderful Marvelous)

Sometimes I wonder why you  
Continue to bless me  
You bless me over and over  
And over and over again  
In spite of all my ways  
You continue to give me grace

You're so amazing I realize  
You're just being God  
So I have no other choice but to bless You  
(Over and over, over and over) Again  
Through many dangers seem and unseen  
Thank you for keeping me  
(Thank you for keeping me over and over)  
When sin had control of me  
You came in and delivered me  
(Thank you for delivering me over and over) again

Thank you for blessing me over and over again  
(Over and over, over and over)  
Over and over, again  
I'll continue to bless you  
Over and over again  
I want to take this time  
And bless you for blessing me  
Over and over again
