

## Draw of the Cards

Kim Carnes

Sleight of hand  
Hands of Fate  
Chance you take  
Life's a snake

And it's all in the draw of the cards

Lightnin' strike  
Breath of life  
Red black or white  
Watch 'em fall

And it's all in the draw of the cards  
And it's all in the draw of the cards

Drop the cards  
Watch the eyes  
Down and dirty  
Let 'em ride

Boulevard  
Small cafe  
Cavaliers  
Pass the day

The joker laughs  
From the street  
Weaves his web  
Bittersweet

Ace is high  
Deuce is low  
Take the first  
The rest should go

And it's all in the draw of the cards  
And it's all in the draw of the cards
