Met You at the Wrong Time of My Life

Kim Carnes

Met you at the wrong time of my life I thought you were somebody I used to know You took me by surprise, don't you see it show But I guess it's not true, he left a long time ago And thinking it over, you don't look the same

I met you at the wrong time of my life Met you at the wrong time of my life

I've never felt the cold like this before Our love is growing old but it leaves me wanting more And more If you don't believe me just look in my eyes You'll see a lonely girl for sure But thinking it over I don't look the same, same

I met you at the wrong time of my life Met you at the wrong time of my life

But don't tell me it's over when it's only just begun The days go by we get older so don't keep me waiting Don't keep me hanging on

I met you at the wrong time of my life Met you at the wrong time of my life
