## Met You at the Wrong Time of My Life

**Kim Carnes** 

Met you at the wrong time of my life
I thought you were somebody I used to know
You took me by surprise, don't you see it show
But I guess it's not true, he left a long time ago
And thinking it over, you don't look the same

I met you at the wrong time of my life Met you at the wrong time of my life

I've never felt the cold like this before
Our love is growing old but it leaves me wanting more
And more
If you don't believe me just look in my eyes
You'll see a lonely girl for sure

But thinking it over I don't look the same, same

I met you at the wrong time of my life Met you at the wrong time of my life

But don't tell me it's over when it's only just begun The days go by we get older so don't keep me waiting Don't keep me hanging on

I met you at the wrong time of my life Met you at the wrong time of my life
