

## Still Hold On

Kim Carnes

If I told you tonight that I loved you  
Would you walk my way would you say  
Lies that I wanted to hear  
If I told you tonight that I need you  
Would you break my heart would you start  
Wearing me down again

I feel so lonely when I'm with I'm with you  
But I'm so lonely when you're gone  
I can't live with you  
I can't live without you  
I still hold on

If I told you tonight I was leaving  
Would you call my name take the blame  
Turn it all around again  
'Cause you know I love you  
And worth the heartbreak we make  
But I still hold on I still hold on

I feel so lonely when I'm with I'm with you  
But I'm so lonely when you're gone  
I can't live with you  
I can't live without you  
I still hold on
