

Honest

Kim Cesarion

You touch, I bleed
I bleed colors
It's what I need
So don't you give me up
Guys fall at your feet
I get jealous
It's how I feel

So now I'm bein' honest (oh)
Trust is like gold when it's earned
You think I'm out playin' like a flirt
But I'm in love with you
Oh, pretty girl, won't you tell me how you feel?
I'm bein' honest (oh)
You light up my skin and it burns
It's when I'm not with you that it hurts
'Cause I'm in love with you

There's no way back
I'm deep in it
If you turn away
I will not give you up
Oh, how "my man"
Sounds sweet on your lips
Now that you know

Girl, I'm bein' honest (oh)
Trust is like gold when it's earned
You think I'm out playin' like a flirt
But I'm in love with you
Oh, pretty girl, won't you tell me how you feel?
I'm bein' honest (oh)
You light up my skin and it burns
It's when I'm not with you that it hurts
'Cause I'm in love with you

I wanna give you all of me, all of me
I wanna give you all of me, all of me
I wanna give you all of me, all of me, yeah, yeah
I wanna give you all of me, all of me
I wanna give you all of me, all of me
I wanna give you all of me, all of me, yeah, yeah
Wanna give you all of me, babe

You touch, I bleed (I bleed, baby, yeah)
It's what I need
Guys fall at your feet (ooh, I'm jealous)
It's how I feel

So I'm bein' honest with you (oh)
Trust is like gold when it's earned
You think I'm out playin' like a flirt
But I'm in love with you
Oh, pretty girl, won't you tell me how you feel?
I'm bein' honest (oh)
You light up my skin and it burns (It burns so hot)
It's when I'm not with you that it hurts (It burns so big)

'Cause I'm in love with you (ooh)

I wanna give you all of me, all of me

I wanna give you all of me, all of me (oh, oh, oh, oh)

I wanna give you all of me, all of me, yeah, yeah (all of me, babe)

I wanna give you all of me, all of me

I wanna give you all of me, all of me (I wanna give you all of me, babe)

I wanna give you all of me, all of me, yeah, yeah (oh)

Wanna give you all of me, babe
