

# KIMMI

Kim Chiu

Woke up in the middle of the night  
Crazy things on my mind  
Are you up? I'll call you right now  
Let's head up to the spot

Tonight the girls are out, we'll be waiting for you  
Mental instrumentals, hit me what you gonna do?

Got a dose of Kimmi for your mind  
Roll up, roll up to the party inside  
Got a dose of Kimmi for your mind  
Roll up, roll up, roll up, roll up, roll up  
Roll up to the party  
Roll up to the party  
Roll up, roll up to the party

Dili ta mang gawas kay manayaw tag in ani  
Roll up to the party  
Roll up, roll up to the party  
Ato ning labanan kay mas isug pa tas tigre  
Roll up to the party  
Roll up, roll up to the party  
Atu ning sayawan maski di ka angayan  
Roll up to the party  
Roll up, roll up to the party  
Pag puyo sa balay arun walay mahayay

Are you ready for this?  
You ready for this?  
You ready for this?  
Do it

Roll up to the party  
Roll up, roll up to the party  
Roll up to the party  
Roll up, roll up to the party

Lights out, shut the door  
Grab the mic let me hear some more  
Bass in your face, feel the rumble  
Ako si kimi and I am in control

Tonight the girls are out, we'll be waiting for you  
Mental instrumentals, hit me what you gonna do?

Got a dose of Kimmi for your mind  
Roll up, roll up to the party inside  
Got a dose of Kimmi for your mind  
Roll up, roll up, roll up, roll up, roll up  
Roll up to the party  
Roll up to the party  
Roll up, roll up to the party

Dili ta mang gawas kay manayaw tag in ani  
Roll up to the party  
Roll up, roll up to the party

Roll up to the party
