What do you mean life's only begun?  
I don't wanna have to do this again

What do you mean life's only begun?  
I don't wanna have to do this again  
I don't wanna have to grab this here gun  
I don't wanna have to shoot my best friend

What do you mean life's only begun?  
I don't wanna have to do this again  
I don't wanna have to grab this here gun  
I don't wanna have to shoot my best friend

Lately I've been sad like a billionare  
And I don't care, no I don't care  
Really I've been sad and I don't care  
Call me billionare, I'm a billionare

Lately I've been sad like a billionare  
And I don't care, no I don't care  
Really I've been sad and I don't care  
Call me billionare, I'm a billionare

What do you mean life's only begun?  
I don't wanna have to do this again  
I don't wanna have to grab this here gun  
I don't wanna have to shoot my best friend
