

# SAY PLEASE!

Kim Dracula

Shout out to the devil

Ay, ay ay  
What the fuck you say? Ay  
Well you know what I mean  
Ay, ay ay  
What the fuck you say? Ay  
What an awful kind of day

Ay, ay ay  
What the fuck you say?  
Say please  
Nu mă, nu mă iei  
Ay, ay ay  
What the fuck you say? Ay  
(Ay ay ay ay ay ay ay ay ay)

If you wanna stop me then go buy me a coffee  
'Cause I'm a little bitty tired from the socking and blocking  
You better get your head up locking on a pocket of nothing  
A pretty pity party packet pulling buckets of fucking

Blood, it's so much fun  
Now I am one with the sun  
I'll load the gun  
Sounds like a drum

PUM PUM PAPARUM PUM PUM PUM PUM  
PUM PUM PAPARUM PUM PUM PUM PUM

Dove, innocent dove  
You've got a hole in your lung  
Hell of a drug  
Death from above

Boom, boom, boom, bryatat, boom, boom, boom  
Boom, boom, bryatat, boomtat  
Boom bryatat boomtat, boom bryatat boomtat, boom bryatat boomtat...

So I got a text from God  
God texted me  
He said he just wanted to talk  
I blocked his number

Ay, ay ay  
What the fuck you say? Ay  
Well you know what I mean  
Ay, ay ay  
What the fuck you say? Ay  
What an awful kind of day

Ay, ay ay  
What the fuck you say?  
Say please  
Nu mă, nu mă iei  
Ay, ay ay  
What the fuck you say? Ay

(Ay ay ay ay ay ay ay ay ay ay ay)

No thoughts, just kill

Perverse, my eyes

Kill

Murder suicide

Kill

Perverse are my eyes

Kill

Murder suicide
