

The Bard's Last Note

Kim Dracula

I don't give a
I don't give a
I don't give a
I don't give a

FUCK

Chopping your heads and I'm cropping your necks, blowing up your defences

Can I get a moment of silence for all the pretty people, I just wanna kill 'em all

FUCK

Never. Get the. Bigger. Picture

Guess I'm done with all these motherfuckers tryna give a shit about things they know nothing about

They wander 'round aimlessly

Looking for some sort of solution for their problems

They see me and proceed to aim down the sight

WHAT THE

FUCK

Chopping your heads and I'm cropping your necks, blowing up your defences

Can I get a moment of silence for all the pretty people, I just wanna kill 'em all

FUCK

Never. Get the. Bigger. Picture

Guess I'm done with all these motherfuckers tryna give a shit about things they know nothing about

In the end, they learnt a valuable lesson

If you keep shoving an animal into a cage, one of these days it's going to fight back

FUCK

Chopping your heads and I'm cropping your necks, blowing up your defences

Can I get a moment of silence for all the pretty people, I just wanna kill 'em all

FUCK

Never. Get the. Bigger. Picture

Guess I'm done with all these motherfuckers tryna give a shit about things they know nothing about

FUCK

Chopping your heads and I'm cropping your necks, blowing up your defences

Can I get a moment of silence for all the pretty people, I just

wanna kill 'em all
FUCK
Never. Get the. Bigger. Picture
Guess I'm done with all these motherfuckers tryna give a shit a
bout things they know nothing about
