Your plan is perfect
(You know what's right)
It's foolproof
(You know it's the right thing to do)
There is no turning back
You know what you want to do
(You're doing it great job)
I think you should do it
(That's it, keep going)
Go ahead with the plan
(You know what you listen to)
Go ahead with the plan
(I agree, I think you should do it)
Go ahead with the plan
(I think you should go ahead with the plan)
Go ahead with the plan
