

Claws

Kim Petras

Is it love or obsession?
Does it all turn to pain?
Is it power position?
Is it always the same?

Am I tripping on acid?
I want you like a drug
Am I crazy for calling it love?
Even though you don't want me
I know I'll never be free

'Cause you dig your claws right into my heart so I won't forget ya
'Cause you sink your teeth in every scar, and it gives me pleasure
And you know you got me you got me so good
And I'd do it over again if I could
'Cause you dig your claws right into my heart so I won't forget ya

If it's so masochistic
Why's it hit just the same?
When I know that it's twisted?
Why can't I walk away?

'Cause for you, I'm an addict
And I'm dying awake
Keep you crawling inside of my veins
Even though you don't want me
I know I'll never be free

'Cause you dig your claws right into my heart so I won't forget ya
'Cause you sink your teeth in every scar, and it gives me pleasure
And you know you got me you got me so good
And I'd do it over again if I could
'Cause you dig your claws right into my heart so I won't forget ya

Close but not close enough
I won't forget ya
Every kiss, every touch
I can't forget ya
If I wanted to leave
You'd never let me go
I'll never let you go

'Cause you dig your claws right into my heart so I won't forget ya
'Cause you sink your teeth in every scar, and it gives me pleasure
And you know you got me you got me so good
And I'd do it over again if I could
'Cause you dig your claws right into my heart so I won't forget ya

'Cause you dig your claws right into my heart so I won't forget ya
