Homework

Kim Petras

You used to let me cry on your shoulder
And I'll never, I'll never forget that
I'll never, I'll never forget that
And you always let me copy your homework
And I'll never, I'll never forget that
I'll never, I'll never forget that

I remember when I left town, it was different
I don't really miss it that much, reminiscing
Money ain't the issue now I do what I wanna
I remember splitting my last check with you
Pick me up, you used to pick me up at the corner
Tried to cop a cigarette, holes in your Impala
I didn't mean to leave you all on the back burner
I didn't think it happen out here, but it did, oh yeah

And I wish I could spend the night, spend the night
And I know that it's been some time, been some time

You used to let me cry on your shoulder, yeah
And I'll never, I'll never forget that
I'll never, I'll never forget that
And you always let me copy your homework, yeah
And I'll never, I'll never forget that
I'll never, I'll never forget that

So while I'm away in LA getting paid
Just know I'll never, I'll never forget that
I'll never, I'll never forget that
'Cause you drove me home when I wasn't sober, yeah
And I'll never, I'll never forget that
I'll never, I'll never forget that, no

Remember when we stayed up three days straight and passed out
Remember when we traded my Louis in for two ounce
Missed you real bad when I went to California
I got so excited when I seen you in the hallway
I remember when you said we'd make it both together
I remember when you said you're coming in December
Out of luck, must be out of love cause you're not here
Hit me up, never hit me up I waited, oh, oh, yeah

And I wish you could spend the night, spend the night
And I know that it's been some time, been some time

You used to let me cry on your shoulder
And I'll never, I'll never forget that
I'll never, I'll never forget that
And you always let me copy your homework
And I'll never, I'll never forget that
I'll never, I'll never forget that

So while I'm away in LA getting paid
Just know I'll never, I'll never forget that
I'll never, I'll never forget that
'Cause you drove me home when I wasn't sober, yeah
And I'll never, I'll never forget that

I'll never, I'll never forget that, no

Yeah I was feeling so cool
When we rolled up before school
And sometimes I want it back
Been so busy counting stacks
Remember how we left off
Looking back that really sucked
I know I said, "I would call"
I know I said, "I would call"

You used to let me cry on your shoulder, yeah
And I'll never, I'll never forget that
Said I'll never, I'll never forget that
And you always let me copy your homework, yeah
And I'll never, I'll never forget that
I'll never, I'll never forget that

So while I'm away in LA getting paid
Just know I'll never, I'll never forget that
I'll never, I'll never forget that
'Cause you drove me home when I wasn't sober, yeah
And I'll never, I'll never forget that
I'll never, I'll never forget that, no
