

## In the Next Life

Kim Petras

First time in my life I, I'm not afraid  
First time I remember feeling anything, anything  
There's no turning back now, I can't be saved  
And in the next life they'll remember me, remember me

I'm the greatest, God created  
I'm a sickness, I'm contagious  
I'm a demon, power trippin'  
On the mission and vindictive  
Suffocating, exterminating  
And I love that every second  
Full of hatred, irritated  
Cut you open for entertainment

Ooh  
They'll remember me  
Ooh  
You'll remember me

First time in my life, I (First time in my life)  
I'm not afraid (I'm not afraid)  
First time I remember feeling anything, anything (anything)  
There's no turning back now (There's no turning back)  
I can't be saved (I can't be saved)  
And in the next life they'll remember me, remember me

Deine Zeit ist abgelaufen  
Ich bin dein Alptraum  
Ich bin dein Omen  
Wenn du mich siehst, fängst du besser an zu laufen  
Kannst du glauben  
Sag jetzt deine letzten Worte  
Ich krieg' immer was ich wollte  
Ich bin das Ende deiner Tage  
Ich bin die Krankheit, ich bin die Plage

Ooh  
They'll remember me  
Ooh  
You'll remember me

First time in my life, I (First time in my life)  
I'm not afraid (I'm not afraid)  
First time I remember feeling anything, anything (anything)  
There's no turning back now (There's no turning back)  
I can't be saved (I can't be saved)  
And in the next life they'll remember me, remember me
