Problématique

Kim Petras

"That's cool... Hey, do you listen to Kim Petras?"
"Um, isn't she like, problematic?"
"No, she's problématique!"
(Ah, woo!)

Queen of my castle and I ain't ever comin' down
Love it or hate it, you can't keep it out your mouth
My love infectious, they all wanna mess around
Sweeter than candy, I know that you wanna try
Cocky, can't stop me, I got everything you like
My love infectious and you wanna take a bite

I'm a little bit dramatic, little real, a little plastic
I just keep on wreaking havoc, uh

Get up, up on your feet (Up on your feet)
Yeah, she's so problématique (Problématique)
Get up, up on your feet (Up on your feet), woo, woo
She's so problématique, problématique, yeah
Get up, up on your feet
I know you like it, like it (Woo)
She's so problématique
I know you like it, like it (Woo, woo)
Get up, up on your feet
I know you want it, want it (Uh-huh)
She's so problématique, problématique (Mmh-mm, ah)

It's alright, what you like
Get up, up and get down
Every night, live it right
Get up, up and get down
It's alright, what you like
Get up, up and get down
Every night, livin' right
Get up, up and get down

I'm a little bit dramatic, little real, a little plastic
I just keep on wreaking havoc, ah

Get up, up on your feet (Up on your feet)
Yeah, she's so problématique (Problématique)
Get up, up on your feet (Up on your feet), woo, woo
She's so problématique, problématique, yeah
Get up, up on your feet
I know you like it, like it (Woo)
She's so problématique
I know you like it, like it (Woo, woo)
Get up, up on your feet
I know you want it, want it (Uh-huh)
She's so problématique, problématique (Mmh-mm, ah)

(On your feet)
Get up, up, up
Get up, get up, get-
(On your feet)
(Problématique)
(On your feet)

Get up, up, up
Get up, get up, get-
(On your feet)
(Problématique)
That's cool
