

Electric Green

Kim Richey

Mmm mmmmmmm mmmmm, mmm mmmmmmm mmmmm
Mmm mmmmmmm mmmmm, mmm mmmmmmm mmmmm
Mmm mmmmmmm mmmmm, mmm mmmmmmm mmmmm
Mmm mmmmmmm mmmmm, mmm mmmmmmm mmmmm.

Aah aaaaaah aaah, aah aaaaaah aaah [with harmony]
Aah aaaaaah aaah, aah aaaaaah aaah .

In the midnight sun, watching colors run
Bring back electric green
When the morning comes, we'll be overdone
Time for my favorite dream, uh huh
Bring back electric green.

Time gets wasted running with the pack, go on
Toss it out the window, try and get your money back
Smoke 'em if you got 'em, bring along an extra pack
Sunrise, sunset.

In the midnight sun, watching colors run
Bring back electric green
When the morning comes, we'll be overdone
Time for my favorite dream, uh huh.
Bring back electric green.

Fingerprints on broken glass
That's what you get for looking back.

Aah aaaaaah aaah, aah aaaaaah aaah
Aah aaaaaah aaah, aah aaaaaah aaah .

Here goes nothing, nothing to get buzzed about
Take a little something, something that'll sort me out
Just because it never did doesn't mean it won't work now
Sunrise, sunset.

In the midnight sun, watching colors run
Bring back electric green
When the morning comes, we'll be overdone
Time for my favorite dream, uh huh
Bring back electric green.

In the midnight sun, watching colors run
Bring back electric green
(In the midnight sun, watching colors run)
When the morning comes, we'll be overdone
(Bring back electric green.)

Time for my favorite dream, uh huh
(When the morning comes,
we'll be overdone, time for my favorite dream)
Bring back electric green
Bring back electric green.

(Aah aaaaaah aaah)
Bring back electric green
(Aah aaaaaah aaah)

Bring back electric green
(Aah aaaaah aaah)
Bring back electric green
(Aah aaaaah aaah...)
