Pretty Picture

Kim Richey

Aren't you a pretty picture In your finest disarray You make me wanna love you More than any words I know to say

Heartaches come and heartaches go You're the best I've ever known Aren't you a pretty picture

Why does it always have to rain on Sunday? Rain on Sunday, rain on Sunday

Heartaches come and heartaches go You're the best I've ever known Aren't you a pretty picture
