

Awaken Love

Kim Walker-Smith

Take me back, to the moment of surrender
Heart completely Yours
Unafraid, just a child within Your presence
Trusting in You, Lord

Walk into this place, I give You space
Come and move around me
Meet me face to face, stir my heart
Awaken love within me

Jesus, come
Jesus, co-o-ome
My first love
My first love

Jesus, come
Jesus, come!
My first love
My first love

Take me back, to the moment of surrender
Heart completely Yours
Unafraid, just a child within Your presence
Trusting in You, Lord

Walk into this place, I give You space
Come and move around me
Meet me face to face, stir my heart
Awaken love within me
Love within me

Jesus, come
Jesus, co-o-ome
My first love
My first love

Jesus, come
Jesus, come!
My first love
My first love

I have wandered from Your love
Thought my strength was strength enough
I am done, relying on myself
You're the one who breaks my chains
You're the one who calls my name
I will look, to You and no one else

Take me back, to the moment of surrender
Heart completely Yours
Unafraid, just a child within Your presence
Trusting in You, Lord

Walk into this place, I give You space
Come and move around me
Meet me face to face, stir my heart
Awaken love within me

Jesus, come
Jesus, co-o-ome
My first love
My first love
Jesus, come
Jesus, come!
My first love
My first love!

Jesus, come
Jesus, co-o-ome
My first love
My first love
Jesus, come
Jesus, come!
My first love
My first love!

My first love!
Take me back, to the moment of surrender
Heart completely Yours
